The YWCA Wheeling, a beacon of hope for women and children in the Ohio Valley for more than a century, is requesting assistance with the newly named Upper Ohio Valley Multicultural Festival. In August of 2013 the YWCA Wheeling and the Black Heritage Festival collaborated to combine efforts for a broader impact in the Ohio Valley. The YWCA Wheeling has had a Multi-Cultural Festival for 5 years. Children of all ages from the Valley flocked to the YWCA in October to receive a passport that would allow them to visit 7 continents within the YWCA to play games, taste food and learn about other cultures while winning prizes, with all of the events being free to the public.

The collaboration, which calls for a larger venue, the Wheeling Heritage Port, allows for more community participants. We will be highlighting the cultural diversity of our community through music, dance, art, storytelling and more. Everyone will be able to enjoy entertainment and food from different cultures, information on our sponsors and organizations that promote cultural diversity, along with arts & crafts that represent various cultures. We are seeking sponsors for this signature Ohio Valley event scheduled for June 28, 2015.
